Omlet fundraising

Omlet will give you 100 egg boxes free that you can sell to raise the funds you need to buy your dream Eglu.

It's simple, you tell people all about the benefits of keeping chickens such as learning where food comes from, responsibility of looking after a pet, the fun you can have watching them look for worms and then ask if they would like to be one of the first people to take home some of the eggs.

They say yes and you ask them for a small investment in your dream. Finally, write their name on an empty egg box, that is returned to them full of eggs once the hens start laying.

- 1 Get in touch via phone 02 99607531 or you can email info@omlet.com.au to request the egg cartons.
- 2 We suggest you sell the empty egg cartons for between 5 and 10 dollars each depending on how much money you need to raise.
- 3 Start selling to family, friends, neighbours, anyone who eats eggs.
- 4 Once sold, write the owner's name and phone number on an empty egg carton and keep safe until you get your hens.
- 5 When you have raised your target sum, call or order your Eglu online.
- 6 Once your chickens start laying, start filling and returning the egg cartons to the lucky investors!
